

CALL FOR PAPERS AFÉPOP 2024 inaugural conference 2 – 3 May 2024, Campus Condorcet (Aubervilliers)

Information and submissions:
<https://afepop2024.sciencesconf.org/>

➤ Introducing AFÉPOP

The French Association of Population Economists (*Association Française des Économistes de la Population* – AFÉPOP) was founded in September 2023. Its objective is to federate and promote a thriving French network of researchers in population economics. AFÉPOP will organize events that bring together scholars to favor collaborative work in the field.

➤ AFÉPOP 2024 inaugural conference

- **We welcome contributions from all fields of population economics**
Education, health, labour, demographics (marriage, fertility, ageing, retirement, mortality, migration), economic inequality, housing, household issues, discrimination, institutions, policy evaluation, etc.
- **Parallel sessions** with discussants (preferably in English)
- **Keynote lecture: Libertad González**
Professor of Economics at Universitat Pompeu Fabra and the Barcelona School of Economics
President of the European Society of Population Economics (ESPE)
- **Social event**

➤ Paper submissions

- Open: 14 November 2023 – 5 February 2024 (midnight)
- Information & applications: <https://afepop2024.sciencesconf.org/>
- Required: full paper
- Decisions on acceptance: early March 2024
